

Iron Chef Champion visits Tarzali Lakes

Tarzali Lakes was proud to welcome on the 1st of April 2010 three times Iron Chef champion Wong Wing Chee and his entourage.

Wong Wing Chee is renowned as one of China's top 10 chefs and is in Australia to get a taste of the quintessential Queensland lifestyle which is being captured by a film crew for his television show Admiral's Feast.

Admiral's Feast is a popular television program in Hong Kong and his visit will enable Queensland to bring a slice of our state's abundant gastronomic products to his avid audience back home.

During his visit to Tarzali Lakes, Wong Wing Chee toured the aquaculture facility and tried his hand at fishing, landing Barramundi, Jade Perch, Eels and Redclaw. He then proceeded to cook up a storm which he gracefully invited all to share his culinary delights. Three Times Iron Chef Champion Wong Wing Chee enjoying his freshly cooked catch
